NOTES: The Brass Donut is a spun brass mounting ring for supporting Alchemy's round-bottomed sinks on flat countertops. The Donut is designed to work in conjunction with Alchemy's drain assemblies to secure sink to countertop. The Donut comes with a flat brass positioning ring, a cork-padded C-Washer, and a drain nut. The Donut and C-Washer plated in finishes to match the drain or other plumbing fixtures. The nut is unplated. See "Brass Donut Installation Instructions" for more information.
